*Tennessee State Law requires students to receive 180 days (four hours per day) of education per school year. Cross Creek Christian School is committed to having a high quality educational program that strengthens the family. Therefore, the above listed holidays marked as Home Enrichment days are counted in the 180-day academic calendar. Home Enrichment activities are not “days off” but should include an educational activity such as a study of the holiday being observed, a field trip, volunteerism, completing remaining assignments, or reviewing concepts with which the student may be struggling.*
