**Cross Creek will have the books necessary for your student's classes available for purchase. You will be able to pick them up on Parent Night in August. We charge a shipping and handling fee per class, and include it in the total book cost listed in the course descriptions. If you would like to purchase books used or through a different source, please see the attached curriculum list for information. Your student may not begin classes without the required books. If your student comes to the first class without the necessary books, we will provide them to your student, and charge your account accordingly.**

## 4th Grade Class Descriptions

### Language Arts 4

The beginning of each class day will begin with devotions and prayer. Language Arts 3/4 uses a classical approach to reading. This literature class will continue to develop reading comprehension and vocabulary skills through classical children's literature. This class will also include grammar instruction using *Easy Grammar* texts, which uses the prepositional approach combined with other effective strategies that help students to understand grammar. Its simplistic format and excellent examples equip students to speak and write correctly. Cathy Duffy selected this curriculum as one of the top curriculum picks for home education.

- Fees: a \$40 fee covers novel depreciation (\$10) and copy costs for literature supplements (\$30). Novels are owned by Cross Creek.
- Spelling/Grammar and Teacher Grammar Book: \$80 **OR**
- Spelling/Grammar student books only: \$55

### **Math 4**

Building on skills acquired in Math 3, this course reviews and introduces: multiplying and dividing by two-digit numbers, estimation, square measures, writing decimals as fractions, and simple geometry.

- A Beka Arithmetic student book & Test Book: \$30 **OR**
- All the above and teacher book : \$51 OR
- All the above and curriculum book: \$81

### **Living in God's Love**

From the publisher, "Guide your child in learning more about God through the study of His Word. Your child will use Bible study aids such as cross-references, a concordance, and a Bible dictionary. The Student Worktext includes bible references for independent Bible study, hymns, Bible area maps, and a glossary of Bible terms"

- Books: \$45

### **Zoology 1**

From the publisher: "The ruby-throated hummingbird, yellow-rumped warbler, little brown bat, spicebush swallowtail butterfly, Mexican bean beetle, common honeybee---they all have wings, and you'll find them here in this lavishly illustrated elementary science curriculum. Using the Charlotte Mason approach, 14 lessons include notebook activities, special projects, and hands-on experiments to teach kids about birds, bugs, bees, beetles, butterflies, and more."

- Books: a \$20 book fee for the use of Cross Creek's text book; we provide the accompanying notebook
- Fees: a \$10 fee cover materials used for hands-on activities

### **Exploring the United States 3<sup>rd</sup>/6<sup>th</sup>**

This course will introduce students to the United States. The students will do an in-depth study or geography including map skills, landforms, capitals and states. The course will also include an introduction to United States government and economics. The regions of the United States will be studied in depth, learning about the land, economy, and culture of each region.

- Fees: a \$40 fee covers the \$30 copy fee for extensive geography supplements and \$10 fee covering materials used for hands-on activities.

**Writing with Excellence**

In this introductory course, students will begin the year learning how to write a correct paragraph. As the year progresses, they will learn to write several different styles of writing including narrative, research, persuasive, and descriptive. Students will use the writing process, which includes pre-writing, rough draft, editing, and final draft, to complete each major writing assignment.

- Fees: a \$30 fee covers supplements

**Art 3rd – 6<sup>th</sup>**

This course is designed to enhance the subjects of reading, writing, social studies, and the humanities through visual and tactile projects that are **FUN!** Projects may include but are not confined to: drawing, painting, sculpture, edible art, and book writing. A supply list will be provided.

Materials: a \$50 materials fee is required
