Book Fees

Cross Creek will have the books necessary for your student's classes available for purchase. You will be able to pick them up on Parent Night in August. We charge a shipping and handling fee *per class*, and add it to the total book cost listed in the course descriptions. If you would like to purchase books used or through a different source, please see the attached curriculum list for information. Your student may not begin classes without the required books. If your student begins the first day of class without the necessary books, we will provide them to your student, and charge your account accordingly.
